ABOUT US (CAP)

The Centre for African Progress (CAP) was founded in 2013 as a think-tank of African intellectuals that deals with economic, social and political issues across Africa

The research carried out by CAP is funded by an endowment fund that it shares with other similar entities around the world.

CAP is found in 34 African countries, and plans are underway to cover the rest of the continent.

CAP is the only researcher that correctly predicted Kenya's polls in 2017
